

ART & DESIGN

COURSE CODE: 5M1984
LEVEL 5

This course is fundamentally designed to provide students with a portfolio of the highest quality that will attain entry to Art and Design courses at third level.

Course Content

Module Name	Description
Drawing 5N1862	The drawing course introduces students to charcoal, pencil, pastel, inks and a range of alternative materials in a variety of subjects: figure drawing, still life, self-portraiture and utilising fun modern techniques training the eye to see.
Painting 5N1302	The painting course covers oil painting, water-colour, acrylic and alternative materials. Subject matter includes painting, still life and free expression. It is an intensive introductory course.
Printmaking 5N1373	This module introduces students to Wood Block, Photo Etching, Mono-printing and Stencil Printing, and builds a strong foundation on the concepts of Intaglio and Relief Printing
Sculpture 5N1918	On this course students will learn how to manipulate and mix varied materials to create a totally original art piece. They will also be encouraged to develop their own ideas using new and unusual materials.
Combined Materials 5N0764	The combined materials module is a mixed media/textiles module where students can experience and explore the field of experimental media combinations.
Design Skills 5N0784	The design module allows the student to demonstrate creative and expressive possibilities through experimentation and manipulation of a wide range of design techniques and media. This module includes concept art, model making, logo design, product design and animation.
Communications 5N0690	The purpose of this module is to facilitate learners to acquire communications skills relevant to vocational, personal and interpersonal development and to explore the use of modern information and communications technology (ICT), in personal and vocational life. It enables the learner to take responsibility for his/her own learning.
Work Experience 5N1356	The purpose of this module is to provide learners with the personal knowledge, skills and capacity to participate in a suitable work placement under supervision for a limited time. Work experience includes observation of good timekeeping, working independently while under general direction, meeting deadlines, personal presentation, communication, adherence to health, safety and other relevant regulations.

Modules may be subject to change

Career Opportunities

This one year Art and Design course gives students an opportunity to develop and explore their creativity using different aspects of Art, Craft and Design. One of the prime objectives of the course is to assemble a portfolio of high quality work, which may afford the student entrance to a course in any art college within the EU. Students may also look for employment in the following areas:

- All aspects of fine art
- Animation
- Computer Graphics
- Film Making
- Ceramics
- Fashion
- Design
- Graphic Design
- Advertising
- Model Making for the Film Industry
- Art Teacher Multimedia Artist

Certification

On successful completion of the course, candidates who reach the required standard will receive the following award:

QQI Level 5 Certificate in Art and Design (5M1984)

Fees

There are no tuition fees payable to Moate Business College. However, please note that there are costs involved in taking a course, e.g. exam fees, professional body registration fees, etc. A student registration fee must be paid on joining the course.
