

CREATIVE MEDIA

The aim of the course is to provide students with the necessary skills to think imaginatively and bring their ideas to life through a creative and artistic approach. It is designed to afford students the opportunity to become familiar with the various fields of journalism, digital photography, games studies, 3D Modelling and digital image design. Successful candidates will acquire a broad range of skills, which will qualify them to either progress to higher education or to work in a range of digital media industries.

Entry Requirements

- Leaving Certificate standard or QQI Level 4
- Mature students (23+) are welcome to apply

Course Content

- Digital Photography 5N1270
- Desktop Publishing 5N0785
- Games Analysis Design 5N1651
- Work Experience 5N1356
- Image Processing 5N1292
- Media Analysis 5N1298
- Computer 3D Modelling and Animation 5N1603
- Communications 5N0690

Please note the above modules are subject to change.
