

## NURSING STUDIES

The purpose of this programme is to prepare the student for all aspects of the role of the Nurse. The student is introduced to a wide variety of modules with a work placement element to the programme, which gives the student the opportunity and the experience of working in a setting of their choice under supervision. The programme also prepares the students for interviews, progression to third level colleges, UCAS and CAO preparation and the college has established a link with some of the English colleges and Institutions in Ireland and the U.K.

### Entry Requirements

- Leaving Certificate standard or QQI Level 4
- Mature students (23+) are welcome to apply

### Course Content

- Care Provision and Practice 5N2705
- Care of the Older Person 5N2706
- Palliative Care 5N3769
- Nursing Theory and Practice 5N4325
- Human Growth and Development 5N1297
- Anatomy & Physiology 5N0749
- Social Studies 5N1370
- Work Experience 5N1356
- Communications 5N0690
- Mathematics 5N1833

*Please note the above modules are subject to change.*

### Career Opportunities

On successful completion of the Level 5 Nursing Studies Programme, students may seek employment in the field of Community Development or Health and Social Care. They can also apply through the CAO and UCAS for a wide range of degree courses which will allow student progression to General (RGN) Psychiatric (RPN) Intellectual Disability (RDN) Children's Nursing (RGN) and Midwifery (RM) courses both in Ireland and the UK.

Successful graduates of this course are eligible to work in a variety of settings which include:

- Hospitals
- Nursing Homes
- Day Care Centres
- Home Care Assistance
- Community Development

### Certification

Awarding Body:	QQI
Award Title:	Certificate in Nursing Studies
Award Code:	5M4349
Level:	5

See page 43

for possible progression routes from this course
