1 GLOSSARY OF TERMS

‘Applicant’ means the Student or Learner, who has made an application for admission to a particular course in Moate Business College.

‘Student’ means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply ‘prospective’ as part of the interpretation. That is, the use of the word ‘Student’ does not mean that the application for him/her has been accepted such that s/he is regarded as a student of Moate Business College by virtue of application alone.

‘Learner’ means a person who has enrolled in a programme of education and training. Within this policy, the terms ‘student’ and ‘learner’ are interchangeable. (Qualifications and Quality Assurance (Education and Training) Acts 2012 and 2019)

‘Gender’, in line with the definition of “*the gender ground*” in the Equal Status Act 2000, is such that “*one is male and the other is female*” This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise

‘Parent’ has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

2 ADMISSION STATEMENT

Moate Business College is a centre of learning committed to providing education and training of the highest quality. We continue to strive to excel in responding to the educational needs of the community. The programmes we offer are learner-centred and provided in a friendly, inclusive and supportive environment.

MBC is committed to being an inclusive college. Fundamental to the implementation of the College's Admissions Policy is the principle of Equality. In placing the student at the centre of the learning process, MBC is committed to creating an appropriate learning environment in which individual differences are accepted and embraced.

Students who have additional learning support needs are encouraged to provide the College with any relevant information at the time of application. Any information provided is treated confidentially and does not prejudice the application. Applicants must bear in mind that, while the College will make every effort to accommodate their needs, the resources available are limited.

Accordingly, Moate Business College shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant.
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;
- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant.

As part of the enrolment process course costs may be payable. The amount charged is in accordance with the legislative and regulatory conditions laid down by the Department of Education and Skills and its agencies.

3 LEGAL FRAMEWORK

Moate Business College is the Further Education section of Moate Community College.

Colleges and Colleges providing FET programmes are second-level colleges in law and are bound by all relevant legislation. The Education (Admission to Colleges) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised colleges to prepare and publish an Admission Policy.

Moate Community School is a registered charity under the Charities Act 2009.

Colleges of Further Education are regarded as ‘providers’ under the Quality and Quality Assurance (Education and Training) Acts 2012 and 2019. As stated in these Acts, providers of FET courses must establish procedures for access, transfer and progression in accordance with the policies and criteria for access, transfer and progression published by Quality and Qualifications Ireland (QQI). QQI Act 2012 defines access in relation to learners as:

‘access’ by learners to programmes of education and training, including recognition for knowledge, skill or competence previously acquired.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol.

Courses provided by Moate Business College are subject to the provision of the Further Education and Training Act, 2013.

Data provided by the applicant is subject to the Data Protection Acts 1988, 2003 and GDPR 2018. Moate Business College commits to ensuring that all data is stored correctly and used for the purpose it is intended. Applicants are entitled to make Freedom of Information Requests under the 2014 Act.

4 GENERAL ADMISSION PROVISIONS

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual Admission Notice of the college, and the
- Information provided by the Applicant in the application for admission.

Courses provided by Moate Business College are subject to the provisions of the Further Education and Training Act 2013, and to the approval of the Board of Management of Moate Community School, SOLAS, and the Department of Education and Skills.

Admission to a particular course is governed by three principles that will be assessed through the application form and the interview:

1. That, in the professional judgement of the College Authority and following an interview (if deemed appropriate) the student/learner is suitable for a course.
2. That, in the professional judgement of the College Authority, the applicant, because of previous education, training or experience, is considered likely to benefit from participation.
3. That, in the professional judgement of the College Authority, applicant's participation will contribute positively to the course and in no way infringe upon the opportunities or rights of other students/learners or staff.

Moate Business College will consider the offer of a place to every applicant seeking admission, who meets the entry requirements for the course they have applied for, to the College, unless the following applies:

- 4.1 The applicant fails to confirm in writing that s/he accepts the Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code.
- 4.2 The applicant fails to provide all the necessary data and does not complete the PLSS Student Data Capture Form.
- 4.3 Information contained in the application is false or misleading in a material respect.

Where Moate Business College considers an application, each Applicant, who meets the entry requirements of the course, shall receive an offer of a place, unless the course is oversubscribed, in which case, selection criteria will be applied to each application. All courses require a minimum enrolment in order to proceed.

Section 5 of this Policy addresses the selection criteria and other matters related to the admission provisions.

Where Moate Business College is not oversubscribed, all applicants who meet the entry requirements will be offered a place on the course for which they have applied. Information relating to the courses on offer is available to applicants, in the College prospectus or website. Course content is reviewed on an ongoing basis and may result in course modification.

Entry Requirements for Level 5 Programmes

Applicants must have completed the Leaving Certificate or equivalent. Leaving Certificate Applied or a QQI Level 4 award are acceptable entry requirements on the majority of courses. Mature students¹ (those aged 23 years or more on 1st January of year of application) are exempt from academic entry requirements. However, if the learner has not achieved a previous formal qualification, it is expected that s/he will be able to demonstrate the levels of knowledge, skill and competence associated with the NFQ level 4 when accessing this programme.

Applicants for certain courses may be required to submit a portfolio of work as part of the course entry requirements and or interview process.

Applicants may be asked to submit two references and/or a personal statement.

Applicants may be subject to normal Garda Vetting procedures.

Entry Requirements for Level 6 Programmes

Applicants must have completed a QQI Level 5 Award or equivalent. Mature students may be exempt from academic entry requirements. However, if the learner has not achieved a previous formal qualification, it is expected that s/he will be able to demonstrate the levels of knowledge, skill and competence associated with the NFQ level 5 when accessing this programme and may be required to undergo assessment. These applicants must complete our Recognition of Prior Knowledge and Experience form. This will be evaluated by the programme coordinator.

Otherwise the application process is the same as for Level 5 applicants.

¹ Generally, you will need to have completed your Leaving Certificate. However, if you are applying for a place as a mature student, you will not be asked to meet the usual entry requirements. Different courses have different entry requirements, but, in general, the college will take into account your educational background, work history, community involvement and other achievements and interests. This system is known as the Accreditation of Prior Experiential Learning (APEL) or Recognition of Prior Learning (RPL).

Priority for places will be given to learners who are progressing internally before new applicants are considered.

Internal learners must attain a minimum of 6 passes in core modules when progressing internally from a Level 5 to a Level 6 programme. These learners will be offered the opportunity to repeat the remaining two modules from Level 5 to gain a full major award.

5.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the academic year in respect of which the applications are made. Where Moate Business College is in a position to offer further places that become available on a particular course during that academic year, places will be offered in accordance with the order of priority in which Applicants have been placed on the waiting list.

For the avoidance of doubt, if an Applicant does not receive a place in the College for a given academic year, but s/he wishes to be considered for admission in the following academic year, a new application must be made on behalf of that Applicant during the dates specified by the College as being the period when it will accept applications.

5.1.2 Selection criteria

Moate Business College will apply the following criteria for admission to a course in the College:

- 5.1.2.1 The applicant has completed an application form and meets the entry requirements for their selected course;
- 5.1.2.2 The applicant has attended for interview for the course that they have applied for;
- 5.1.2.3 The applicant has provided the necessary documentation as requested.

5.1.3 Selection process

Moate Business College will apply the selection process as follows:

5.1.3.1 Places on courses are offered on a first come first served basis on the condition that each of the following requirements is met:

1. There is a place available to be offered, i.e. the course is not full.
2. The applicant demonstrates at the interview the capacity to successfully participate on the course for which he/she has applied. This includes the academic, practical and work experience placement (where applicable) elements of the course.
 - (i) As part of the processing of an application, an applicant may be referred for a careers information session and/or learning support for further advice in determining their course choice.
 - (ii) If deemed appropriate, applicants may also be referred for an educational assessment.
 - (iii) For applicants whose first language is not English, evidence of English language proficiency may be required. (See Appendix 1). If appropriate, Moate Business College will conduct an English language assessment in line with MBC guidelines (See Appendix 2).
 - (iv) If deemed necessary by the College Authority, or delegated officer, as part of the processing of an application an applicant may be invited for a second interview.
3. Minimum age of applicants: An applicant for an FET Programme must be at least 16 years of age on the commencement date of the course. Regardless of age all applicants must have met the entry requirements.
4. Admission to a course may also depend on the applicant meeting certain eligibility criteria laid down by the funding body for the course.
5. Medical Fitness to Participate: If deemed necessary, the College may request an applicant to provide a medical certificate of fitness to participate on the course for which they have applied.

6. **International Students:** All European Union (EU) citizens, and persons with designated refugee status, can access FET programmes in the same manner as Irish citizens. Applicants from outside of the EU must meet all of the visa requirements of the State before enrolling on a course. It is the applicant's responsibility to engage with the State agencies in relation to visa requirements. MBC does not engage with the visa process.
7. **Ex-offenders:** Applications from ex-offenders, or persons in the process of being released from prison, must be accompanied by a written letter of recommendation from a member of the staff of the education service of the prison, the probation service, or the prison service.

5.1.4 Late applications

An application received by Moate Business College after the closing date published by the College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy. Acceptance of late applications will be at the discretion of the College Authority or delegated officer. If accepted, such applications will be processed in accordance with the Admission Policy.

5.1.5 Second/third-round offers of a place

Where an applicant is in receipt of an offer of a place on a course within Moate Business College but does not accept the offer, or the College withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Applicant on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places on the relevant course have been filled.

5.1.6 Acceptance of a place

Having received an offer of a place on the course for which h/she applied, the applicant shall indicate acceptance of an offer by responding to the College in writing by the date set out in the College's Admission Notice in addition to the payment of the specified fee/deposit (non-refundable) for the particular course.

In the case of a late application, or a second/third-round offer, acceptance must be indicated in the form indicated by the College.

Applicants are advised that, in accepting an offer of a place on a course in Moate Business College, they are obliged to inform the College whether they have applied for, have received an offer of, have accepted an offer of, or are on a waiting list for, a place on a course in another College.

Failure to formally accept an offer of a place and pay the specified fee/deposit to the College by the date set out in the College's Admission Notice, or in the form indicated by the College in the case of a late application or a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

Students are only enrolled in a particular course once they have met all of the requirements in Appendix 3.

Candidates may make an application for deferral of a place before the commencement of the course. Deferrals are permitted at the discretion of the College Director (See Section 5.1.10 below).

Induction is provided as part of College courses.

5.1.7 Refusal

- 5.1.7.2. Details of the applicant's place on the waiting list, if applicable; and

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. Information is deliberately withheld, or
- 5.1.8.3. The Applicant fails to confirm acceptance of an offer of admission and completes the enrolment criteria in Appendix 3, on or before the date set out in the annual Admission Notice of the College for which s/he is applying, or in the case of a late application, or second/third-round offer, in the manner required by the College, or
- 5.1.8.4. In the event of a cancellation of a course (due to insufficient enrolment numbers, resources difficulties etc.) the enrolled applicant/s will be notified of the cancellation. Applicants may be offered a place on a different course subject to a place being available. Where an applicant decline a place on the alternative course, the acceptance fee paid will be refunded to the applicant on request.
- 5.1.8.5. An Applicant has not indicated:

In addition, the applicant's previous punctuality, attendance and performance record may be taken into consideration. If the applicant has displayed unacceptable or unreasonable behaviour in the past, they may be asked to sign a Contract of Behaviour.
