

## EARLY CHILDHOOD CARE AND EDUCATION

This one year programme enables students to become professional, reflective practitioners with an integrated approach in early childhood care and education. Students will acquire skills in the area of children’s play, art and craft, social studies, child development and children with additional needs. A supervised work placement also allows students to link theory to practice and gain valuable experience in different childcare settings.

### Entry Requirements

- Leaving Certificate standard or QQI Level 4
- Mature students (23+) are welcome to apply

### Course Content

- Child Development 5N1764
