

APPLIED SOCIAL STUDIES WITH PSYCHOLOGY

The Applied Social Studies programme is designed to provide a comprehensive understanding of the social issues that shape our world and equip you with the skills to address them. As a student, you will explore a mix of theory and practice, delving into subjects such as psychology, intercultural and social studies, ensuring a well-rounded skills set upon completion. Our programme is an invitation to engage with real-world challenges. In addition, the course will enable students to enhance their research and study skills and competence in the area of Applied Social Studies. Students may proceed to work in the social care sector or progress to higher education.
